

Dear Business Owner:

The Havoc Sports baseball and softball organization would like to extend an invitation to you or your company to become a sponsor for our 2019 season. The Havoc Sports Organization is a youth baseball/softball non-profit organization based in Stafford County that supports youth from surrounding counties: Culpeper, Orange, King George, Fauquier and Louisa. We appreciate individual and corporate sponsors at a variety of levels, and as a *501(c)(3) non-profit organization*, donations may be tax deductible.

Havoc Sports was started in 2008 as the Spotsy Havoc 14U girls fast pitch team and grew to four teams and competed and won and multiple level. In 2014, Spotsy Havoc transitioned to baseball adding a 16U team. Again, Havoc grew to five teams competing and winning both on and off the field. Over the past 10 years Havoc has fielded more than 20 teams and developed more than 100 baseball/softball athletes.

Throughout the years Havoc has remained a steadfast organization for athletes to grow and develop into competitors on and off the field. This year Spotsy Havoc transcended into Havoc Sports fostering a home for both baseball and softball players to compete at the travel level. Havoc Sports teams provide a quality environment that promotes instruction and development for local baseball players and their families. Our program goals include the development of young athletes as competitors and productive members of their community. Winning is important, but we measure our success by demonstrating accountability, responsibility, leadership, sacrifice, and selflessness both on and off the field. By working with these young athletes, we will develop solid baseball & softball players and steadfast leaders in our community.
